</table>

1/ See Table 31--Federal Milk Order Class I and Class II Advanced Prices and Pricing Factors, for Class II skim milk prices.
2/ Butterfat price for both Class III and IV.
3/ Producer component prices; applicable to orders 1, 30, 32, 33, 124, and 126.
4/ Adjustment to producer payment in component pricing orders with this provision. Rate is per 1,000 somatic cell count difference from 350,000. Somatic cell counts below 350,000 result in a positive adjustment and a higher payment. Counts above 350,000 result in a lower payment.
